Subject: New procedure for checking in with work plans (week of Monday, September 21st)

Good morning Jean!

My primary task for the week is to finish the Federal Permitting Improvement Steering Council Office of the Executive Director virtual training, which is scheduled from 9:00 am to 1:00 pm on Tuesday and Wednesday this week. I will also continue my review for two final EISs—Fossil Creek Wild and Scenic River Comprehensive River Management Plan, and the Point Reyes National Seashore General Management Plan Amendment.

Besides my team meetings, I have a lot of other items on my calendar this week. I have the All Hands Meeting on Reopening and an OPA Communications meeting on Monday morning, an offshore wind webinar Monday afternoon, the Federal Permitting training as I mentioned on Tuesday and Wednesday (from 9:00 to 1:00), the TIP Division All Hands on Wednesday afternoon and the Energy Team presentation for the RA on Thursday morning.

I plan to work 7:00 to 4:30 or 7:30 to 5:00 each day.

Thank you,
Jason
